

Tavares Station

Tavares Station on Lake Dora

On the beautiful shores of Lake Dora emerges Tavares Station, the amazing Live, Work and Play Community bringing together all of life's moments to a single destination. A waters edge retreat for those looking to enjoy the incredible lifestyle the lakes have to offer. Take a leisurely cruise through the Dora Canal, noted as one of the most beautiful canals in the world. Learn how to sail with one of the local sail clubs or spend the day bass fishing. Hike the beautiful lake front trails, stroll a few minutes to restaurants, commute a few blocks to an emerging downtown place of business or just sit on your balcony, relaxing in your private oasis. The Yacht Club At Tavares Station on Lake Dora

The Yacht Club at Tavares Station will be the premiere residences of the Tavares Station Community. Those who call Tavares Station home will join a select enclave who understand the difference this philosophy creates. They will be among those who appreciate the finest in American craftsmanship, those who demand the best in home fixtures and those who embrace the latest in security and smart-building technology. You will understand the joy of coming home to a place you truly love. Tavares Station on Lake Dora - Exclusive Properties

These exclusive properties, limited to a mere 25, are nestled along a 3.61 acre lake front site and are poised to be one of Lake Dora's premier residences. The Yacht Club at Tavares Station elicits an exceptional lifestyle; Health, Peace and Tranquility. Enhancing this lifestyle will be the many amenities the developers are planning at the adjacent Tavares Station. These planned offerings include a gym, spa, club rooms, conference areas, media centers, private family theater, temperature controlled wine storage, humidor room, swimming pool, tennis courts and putting greens. Nothing will be spared as a team of central Florida's elite architects, designers and builders create these amazing homes located on Lake Dora's last grand piece of lake front property.
